Virtual Tour:

Home to be built. Completion date approx. October 2011. Pictures of a similar home. The LaGrande by Guenther Homes. An amazing floor plan with great room, formal living room, dining room and study. Master suite with walk through shower and jetted tub. Basement ready to finish with 8'10" walls, egress window and rough plumbing for a future bath. Granite Kitchen, hardwood or ceramic floors in the kitchen. We have this floor plan in a nearby subdivision to see with all the standard features and options.
